FROM SECTION   1    
PAGE   2   OF   3  

\*\*\*BWC RECORDING\*\*\*

On 10/1/2023, at approximately 1912 hours, deputies responded to the intersection of Nadine Dr and Norvell Ct, Deltona Florida, in reference to a motor vehicle accident.

Deputies arrived on scene and noticed a Ford Sedan bearing Florida tag # [REDACTED] crashed into the woods. Neighbors on scene stated they saw a white middle-aged male leave the vehicle and take off in an unknown direction. While deputies were investigating a male returned later identified as [REDACTED] (V1). It should be noted, while [REDACTED] was approaching deputies he advised he is armed with a gun and immediately took it out of his right front pants pocket holding it above his head. Deputies took possession of the firearm and rendered it safe. The firearm was a black Ruger LCP .380 caliber pistol stamped with serial # [REDACTED]. It should be noted, the firearm had a single bullet in the chamber with three bullets in the six compacity magazine. Additionally, Deputy Bergeron ran the firearm via TTY which came back that it was not stolen. Deputies questioned [REDACTED] the whereabouts of the missing bullets in the magazine to which he replied he does not need a fully loaded magazine to defend himself.

[REDACTED] advised the following:

[REDACTED] got into an argument with his girlfriend [REDACTED] (O1) over infidelity issues and packed all of his stuff and left her house in a hurry. [REDACTED] advised he was speeding down Norvell Ct and lost control of his vehicle. After the crash occurred, [REDACTED] left the crash to go ask [REDACTED] for assistance and then returned to the scene. [REDACTED] was emotional during the interaction with deputies and made multiple statements that he doesn't have anything going for him anymore.

AFFIDAVIT CONTINUATION

FROM SECTION 1  
PAGE 3 OF 3

Deputies made contact with [REDACTED] at her residence located at [REDACTED] Deltona Florida who advised the following:

[REDACTED] was returning to her residence to get his belongings which she began to pack. [REDACTED] arrived to her house and almost hit her mailbox with his car. A verbal argument began, and [REDACTED] alleges [REDACTED] took his gun and fired it into the air stating, "the next bullet is for himself." It should be noted, [REDACTED] stated she was not in fear nor was the firearm pointed at her. [REDACTED] grabbed his belongings and drove away. About five minutes later [REDACTED] returned to the residence looking for his cellphone that was not there. [REDACTED] stated he then left and that is when she called law enforcement to advised them of the incident (#P232741636). Deputies had [REDACTED] complete a sworn written statement.

It should be noted while on scene, Deputy Freeborough did not locate a shell casing and asked [REDACTED] if she had video footage to which she stated she did not.

Through deputies' investigation, and based upon [REDACTED] and [REDACTED]'s statements, it was determined there was a substantial likelihood that without the proper care or treatment he would cause bodily harm to himself or others, as evidenced by recent statements. [REDACTED] was also unable to determine if an examination was necessary; therefore, Deputy Bourbour subsequently placed [REDACTED] into protective custody under the Baker Act, and he was transported to SMA for further evaluation. Upon conducting a search of [REDACTED]'s person, Deputy Bourbour located one loose .380 caliber bullet in the right front pocket of his pants.

Deputy Bourbour submitted a temporary risk protection order on [REDACTED] due to recent statements coupled with having a firearm on his person and threatening to harm himself with the weapon. Deputy Bourbour submitted the gun, mag, and ammo into evidence for safe keeping.

A criminal history inquiry of [REDACTED] was completed which showed he was not a convicted felon.

3. Affiant  is  is not aware of any existing protection order governing the respondent under any applicable statute.

0 Known protection orders are attached

4. The quantities, types, and locations of all firearms and ammunition the petitioner believes to be in the respondent's current ownership, possession, custody or control are as follows:
