2. {Name of Witness} ██████████ provided the following information based on his/her personal knowledge:

██████████ (R1), advised her boyfriend, ██████████ (V1), had consumed several Xanax pills mixed with alcoholic beverages after a verbal argument. ██████████ advised ██████████ had access to numerous firearms within the residence, and he put on an armored tactical vest. ██████████ then stated she could hear ██████████ loading ammunition into magazines. ██████████ left the residence and made contact with law enforcement at Fleming Avenue and S. access to numerous firearms within the residence, and he put on an armored tactical vest. ██████████ then stated she could hear ██████████ loading ammunition into magazines. ██████████ left the residence and made contact with law enforcement at Fleming Avenue and S. Nova Road.

District 3 North deputies, along with officers of the Ormond Beach and Holly Hill Police Departments converged in the area. Deputy Wilson proceeded northbound on ██████████ and parked his patrol vehicle approximately 120 yards from ██████████'s residence. Deputy Wilson was unable to see the residence, but could see vehicle brake lights illuminating. Deputy Wilson observed a black pickup truck reverse out of the driveway, and begin driving southbound on ██████████ towards Deputy Wilson. The vehicle stopped, reversed, and parked back in the driveway. Sergeant Turner authorized the use of Stop-Sticks if the vehicle attempted to leave again. Moments later, the vehicle began driving southbound on ██████████ and Deputy Wilson successfully deployed Stop-Sticks in the path of the vehicle. The vehicle came to an abrupt stop, and ██████████ quickly exited. ██████████ was wearing a black, armored tactical vest with several rifle magazines attached, and had a black handgun holstered on the inside of his right waistband. Deputy Wilson, Deputy Carelli, and several officers from the aforementioned police departments drew their firearms and pointed them at ██████████ while giving commands. ██████████ immediately laid on the ground in a prone position and surrendered. ██████████ was taken into custody without further incident.

Deputy Wilson read ██████████ his Miranda Rights, which he verbally stated he understood. ██████████ stated he and ██████████ were going through relationship issues, and he took one and a half prescribed Xanax pills. ██████████ also stated he was going to "eat his glock" which means he was going to commit suicide by shooting himself in the head.

Based on deputies conversation with ██████████ it was determined no crime had occurred. ██████████ was subsequently taken into protective custody under the Baker Act statute, due to the likelihood ██████████ would suffer from self-harm without the immediate intervention of a licensed physician.

The following items were found to be in ██████████'s possession, and in his vehicle during the incident:

- Spartan armored vest
- Spikes Tactical AR-15 rifle (SN: ██████████) with scope
