**AFFIDAVIT CONTINUATION**

FROM SECTION 1  
PAGE 1 OF 1

On 05-07-2024, at approximately 0409 hours, Deputy Adle responded to [REDACTED]  
[REDACTED] Daytona Beach, in reference to a suicidal person complaint.

Prior to law enforcement's arrival, Central Communications advised [REDACTED] (V1) had contacted the Stewart Marchman hot line via cellular phone and was suffering from a mental crisis. Included in their phone conversation, [REDACTED] (V1) admitted to wanting to kill himself with one of his firearms. The call taker of Stewart Marchman shortly thereafter contacted the Volusia Sheriff's Office for assistance.

Upon arrival, Deputy Adle was able to create a verbal dialogue with [REDACTED] (V1), who eventually exited his residence at the request of law enforcement. [REDACTED] (V1) was visibly under the influence of alcohol, which he later admitted to. [REDACTED] (V1) was subsequently placed into protective custody based on statements he had made. [REDACTED] (V1) later admitted to deputies, that he planned on taking his life by shooting himself. [REDACTED] (V1) refused to allow law enforcement to take custody of his "many" firearms, however he allowed deputies to enter his residence in an attempt to obtain a key to lock his front door. While deputies were within [REDACTED]'s (V1) residence, they located a black Glock handgun in the living room area along with a box of .380 bullets, and a silver revolver on his bed.

Based on statements made by [REDACTED] (V1), Deputy Adle determined he was unable to determine for himself whether treatment was necessary and there was substantial likelihood that he would suffer from neglect or refuse care for himself and/or cause serious bodily injury to himself. He was subsequently placed into custody under the Baker Act and later transported to Halifax Medical Center for further treatment and evaluation.

Deputy Adle later completed the appropriate Risk Protection Order paperwork and disseminated it to the appropriate authority's.

Case Status: Closed.
