COURSE:

If you desire to become an instructor focused on teaching CJSTC curriculum for basic recruit and/or advanced/specialized training, this is the course for you. This participation-based FDLE certifying course is designed to prepare those who desire to teach in-service and basic law enforcement curriculum. Students will be instructed on proper teaching techniques, professionalism, and use of learning aids (PowerPoint®) to deliver effective instruction. Upon successful completion of the course, a required teaching internship must be completed by each student in order for FDLE to certify you as a General Instructor.

STUDENTS SHOULD BRING:

Note taking materials, textbook will be provided by The Academy.

ATTIRE: Business Casual (No shorts or jeans)

*** NOTE: This course is competency-based, meaning that the course may be completed in less than 64 hours, provided that sufficient time is given for all objectives, content, exercises, proficiency testing, and examinations. Students enrolled in a Specialized Instructor Course must achieve a passing score of at least 85% on the written end-of-course exam on the first attempt and demonstrate the required skills (Rule 11B-35.0024, F.A.C.). ***
